

WHERE DOES MY REGISTRATION FEE GO?

Understanding registration fees, club support & additional costs

WHAT REGISTRATION FEES COVER

Registration fees help cover the core costs of running each teams for the season, including:

- Gym rentals
- VNT Membership fees
- Local tournament entry fees
- Equipment & volleyballs
- Jerseys & team apparel
- Club operating costs

WHAT POTENTIAL MAY HELP COVER

When club finances allow, Potential may use fundraising revenue or club funds to help offset additional costs and create more opportunities for athletes.

- Coach per diems
- Additional gym time
- Coaching certification & development
- Mini tournaments
- Additional equipment purchases
- Subsidizing portions of athlete travel
- Clinics & development opportunities
- Position specific training nights
- Fitness Mondays
- Other season specific programming or opportunities

What the club is able to support may vary from season to season depending on available funding and fundraising revenue

IMPORTANT TO KNOW

- Potential is a non-profit club
- Registration fees are designed to cover the core costs required to operate teams, while additional programming and subsidies depend on the club's financial position each season
- Fundraising helps us keep registration costs manageable and allows us to offer extra development opportunities whenever possible
- Club funded extras are not guaranteed and may change from year to year

THANK YOU for being part of the Potential Volleyball family!
