

WHICH TEAM IS RIGHT FOR MY ATHLETE?

Is your athlete able to commit to mandatory practices and tournaments?

NO local/development pathway may be the better fit

YES - go to next question

Is your athlete ready for a more competitive environment?

faster pace, higher expectation, increased competition and earning court time

NO local/development pathway may be the better fit

YES - go to next question

Is your family able and willing to take on additional costs for travel?

Travel, accommodation, meals, etc

NO local/development pathway may be the better fit

YES - go to next question

Is your athlete prepared for the expectations that may come with a travel roster?

(attendance, effort, commitment, positional needs)

NO local/development may be the better fit

YES travel pathway may be a good fit

IMPORTANT REMINDER:

- Both travel and local/development pathways are valuable parts of our club
- Choosing a local/development pathway does not mean an athlete is less serious or has less potential
- The right fit depends on readiness, commitment, availability, goals and family circumstances
- Final team placement is determined through evaluations and coach assessment
- A travel pathway does not guarantee travel for every team or athlete
